Catholic Charities USA (CCUSA) has launched a nationwide storytelling initiative and traveling museum called **People of Hope: Faith-Filled Stories of Neighbors Helping Neighbors**.

This two-and-a-half-year project celebrates the power of Christian service and its transformative impact on both giver and receiver.

The People of Hope Museum will bring stories of compassion directly to communities, showing how small acts of generosity can strengthen neighborhoods and bring faith to life.

The People of Hope Museum invites visitors to:

- Gain awareness and understanding of Catholic Charities in their community.
- Get involved through volunteering.
- Grow in empathy for those we serve.
- See Christianity as a vibrant, living, healing faith.
